MARIETTA SHUT OUT.
Sistersville Defeats the Local Team by a
Score of Twelve to Nothing.

The Marietta-Sistersville game at the
Athletic grounds Monday afternoon
was decidedly uninteresting—to the
Marietta crowd present. The big fel-
lows from the hustling little oil city
literally wiped up the earth with the
Marietta boys—and the earth needed
it. The game was played in the mud,
placing the infielders to a great disad-
vantage.

The score of 12 to 0 is partly due to
the ill luck of the home team in plac-
ing their hits and the heart-breaking
errors of Watson, the new third base-
man, but the Marietta team was out-
played in the main. In nine innings
they were unable to score a run,
though credited with two two-base
hits and 10 singles. It is a remarkable
showing.

Blanchard, the new Cincinnati pitch-
er, put up a good game and appears
to be all right.

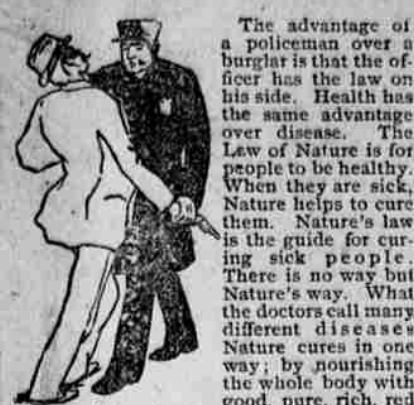

Following is the score by innings:
Innings.....1 2 3 4 5 6 7 8 9
Marietta.....0 0 0 0 0 0 0 0 0
Sistersville.....3 6 0 2 0 1 0 *—12
Batteries, Blanchard and Carr, Camp-
bell and Haddock. Earned runs, Sis-
tersville 1. Two base hits, Sistersville
2, Marietta 3. Base hits, Sistersville
12, Marietta 10. Struck out, by Camp-
bell 9, by Blanchard 6. Errors, Sis-
tersville 1, Marietta 7.

Complete Wreck—Tugboat Buckeye
Boy Burned at South Point, Ohio.

Catlettsburg, Ky., June 21. About 1
o'clock Sunday morning the steamer
Buckeye Boy, of the Big Sandy Tow-
boat Company, was burned and is a
complete wreck. It is thought a lan-
tern was hanging in the engine room
and from this point the fire started.
Four men were on the boat at the time
and had a narrow escape from being
burned to death while trying to recover
some clothing. The boat was lying
at South Point, Ohio, just opposite this
city. She had just returned from the
docks at Point Pleasant, where she
had been overhauled. The boat was
valued at \$10,000, and is insured for
\$8,000. Most of the papers of the firm
were lost.

"Dr. Fowler's Ext. of Wild Straw-
berry is considered a necessity in our
house. It is an excellent remedy for
summer complaints, especially with
children." Wm. Reid, 66 College St.,
Buffalo, N. Y.

The advantage of
a policeman over a
burglar is that the of-
ficer has the law on
his side. Health has
the same advantage
over disease. The
Law of Nature is for
people to be healthy.
When they are sick,
Nature helps to cure
them. Nature's law
is the guide for cur-
ing sick people.
There is no way but
Nature's way. What
the doctors call many
different diseases
Nature cures in one
way; by nourishing
the whole body with
good, pure, rich, red
blood. That is Nature's way of curing
scrofula, erysipelas, kidney and "liver com-
plaint," consumption and every form of
crupent and wasting disease. When you
want to help Nature with medicine the med-
icine must work the same way as Nature
works, then it has the laws of Nature on its
side to make it powerful. That is the
secret of Dr. Pierce's Golden Medical Dis-
covery's wonderful cures. It assists Nature
according to her own laws; it is on Nature's
side and Nature helps it; it imparts new
power to the nutritive and blood making or-
gans to create a large quantity of fresh, red,
healthy blood which drives every germ of
disease out of the system and builds up
strong healthy tissues and solid flesh. The
"Discovery" completely clears away every
form of blood-disease from the system; it
even cures consumption. It is the only true
radical cure for that disease; facts and testi-
mony to prove it.

"I would like to tell the whole world what your
'Golden Medical Discovery' has done for me. The
doctor, who is considered an expert on lung
troubles, told me I had consumption. He said
both my lungs were diseased and I could not live
long. I felt down-hearted for I have dear little
children to live for. I just went to him to get his
opinion. I am glad I did for now I know what
your medicine will do. When I started on the
second bottle I was better in every way and was
able to take a walk on every fine day. I enjoyed
my sleep, my appetite was good, and by the time
I had finished the second bottle I began to feel
like a new woman. I still had a cough so I got
a third bottle and by the time it was half gone I
was completely cured."
